Subject : 2nd Dakar International Show on Health and
Medical Equipment (SISDAK 2010)

Dear Sir,

The Centre international du Commerce extérieur du Sénégal (CICES) organises, in partnership with the Ministry of Health and Public Care, the second edition of the Dakar international Show on Health and Medical Equipment (SISDAK), from 20th to 23rd may 2010, in the Exhibition grounds of the Centre International d'Echanges de Dakar (CIED).

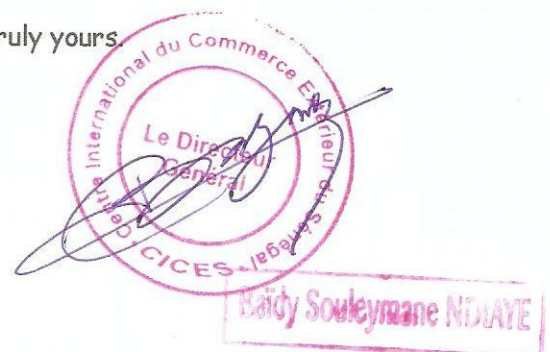

This 2nd edition, which has a sub-regional purpose, will be organised under the aegis of the **West African Organisation for Health**, and will be held in close cooperation with health professionals, medical equipment firms, distributors, medicines manufacturing companies, laboratories and Non Governmental organisations, dealing in the health sector, in Senegal and neighbouring countries.

SISDAK 2010 includes two parts: an exhibition of medical equipment, pharmaceutical and steaming products, and a scientific program related to the main topic: "Mother, teenager, child and new-born health".

Would you please find herewith an information leaflet about the event.

For further details on the participation terms in the exhibition or the scientific program of the Show, we would be grateful to you if you could visit the CICES website: www.cicesfidak.com or the Ministry of Health and Public care website: www.sante.gouv.sn.

While looking forward welcoming you, as exhibitor, we remain truly yours.
